

Rhythm Kids®

Music Together®

Mosaic Melodies

Big kids know what they like:

Telling silly stories, playing games, and being in charge! At this age children are wired to learn in new, more complex ways, and Rhythm Kids is here to meet them at this new stage of musical development. Each week, children are invited to experience leadership roles, community building, and higher level learning while drumming, singing, and moving to rhythms inspired by musical traditions from around the world.

What to know?

- **Ages:** Music Together Rhythm Kids classes are designed for children 4-8 years old
- **Schedule:** Classes run weekly throughout the year, with new collections of music introduced seasonally.
- **What to Expect:** Through musical games, animal rhythm stories, and lots of fun, children will experience a research-based curriculum that expands their musical and social-emotional skills. Each collection focuses on a musical tradition from a different region of the world, from Japanese Taiko, to Brazilian Samba and West African Gahu, to name a few.
- **Cost:** \$25/trial class, \$75/month with two month commitment
